

Data sheet Product HFK B 09

[PRINT DATA SHEET](#)[RECOMMEND PAGE](#)

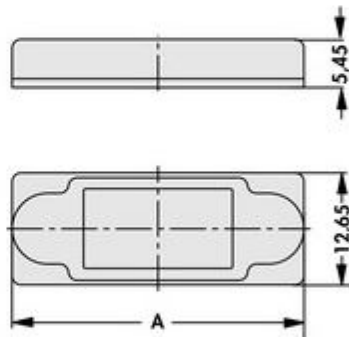

USB / RJ / D-Sub connectors>D-Sub accessories

HF-tight caps, male headers and female headers, prevent HF-radiation at open interfaces

Features

insulating body material:	ABS
temperature range:	-35°C ... +85°C
design:	female
colour:	red
class of inflammability:	UL 94 V-0
annotation:	internal 50 µm electromagnetical protective coating

Technical Drawing

A:

32.9 mm
